Linux System Definition Nomination Process & Timeline

Nomination Period

Until November 15, 2022

Nominating organizations complete and submit the Linux System definition nomination form by the November 15, 2022 deadline

QA, Review, and Consensus

November 15, 2022 until 4Q2023

OIN Linux System team conducts Quality Assurance (QA) to check for nomination correctness

The Technical Committee reviews nominations to reach consensus on the suitability of inclusion in the Linux System

The Technical Advisory Council is consulted as experts and asked to advocate for their nominations

Importance of changes over time, guided by the Technical Committee consensus and community input

Formal Notice & Adoption

4Q2023

OIN community members receive formal notification about the new Linux System definition Table 12 updates

Table 12 is formally adopted by OIN
