openinventionnetwork 2.0

Facts at a Glance

Open Invention Network (OIN) was born in 2005 at a time of uncertainty, demanding urgent action, to clear Open Source Software patent risks. To encourage participation, OIN membership was free. To allow a more permanent defense of Open Source as it continues to grow, OIN is changing our business model with OIN 2.0.

STRONG COMMUNITY & MASSIVE CROSS-LICENSE

4,100+ members
(from 157 countries & 20 industries) are committed to our mission, which has not wavered in 20 years.

***300+ members** worldwide have joined OIN 2.0.*

OIN members generate over **$10 trillion dollars (USD)** in annual revenue.

OIN 2.0 members generate over $2.5 trillion dollars (USD) in annual revenue.

Members collectively own **3 million+** patents & applications.

OIN 2.0 members collectively own 1 million+ patents & applications

Patent risk clearance is scalable & available by nominating Open Source Software to the Linux System.
